*\*Opportunities listed below include, but are not limited to, the following duties:*

#### **Score Recorder:**

Located on the green of a hole to collect scores from the players (or caddies). This position requires you to have a smart phone so we can download the scoring app. As a score recorder, you will:

- Take scores from the players (or caddies) as they exit the green.
- A scoring sheet will be provided to keep track of scores. Scores should be written first, then keyed into the app.
- Enter scores via the app before the next group reaches the green.
- Record times on the scoresheet as well. This helps us document pace of play.
- This position is **NOT** a Rules Official. There will be Rules Officials in different zones on the golf course. If it appears a player may need a rules official, we encourage a call for one on the rules channel. At NO point should the Score Recorder provide any rules advice.

**Marshal:** Scheduled for a designated hole on the golf course assisting players with the location of golf ball or point the ball last crossed the boundary of a penalty area. This position **DOES NOT** give any rules advice.

**Caddie Bib Management:** Check in/out caddie bibs daily to players. Greet caddies at the official scoring area to collect caddie bibs. Verify inventory and organize daily in preparation for the next round.

**Player Registration:** Welcome players to the championship (Monday-Tuesday) giving them their registration materials.

**Volunteer Headquarters:** Assist at Volunteer Check-In by helping with distribution of uniforms, direction of assignments and duties, check out of any necessary equipment for assignments.

**Parking Lot Greeter:** Welcome and confirm players and media into Green Valley Ranch grounds.

**Pavilion/Hospitality:** Assist with the staging of pavilion, including but not limited to, set up of tables, trash receptacles, ice, beverages, and lunch as well as clean up. Greet and confirm player status for meals.

**Player Cart Preparation:** Assist with turn-around of the player carts from morning to afternoon tee time waves

**Standard Bearer:** Follow lead groups with manual scoreboards for spectators to see player's score status.

**Rules Official:** An invite only position limited to members of the Rules Team who have met stipulated minimum requirements to be a rules official for the Colorado Open Championships.

**Set Up/Break Down Operations:** Assist with set up of operations (prior to championship). During championship, daily set up in the early morning or break down in the late afternoon when play is finished.

*\*Shifts may begin as early as 5am & end as late as 8pm. Assignments may be outdoors (possible exposure to sun, heat & insects).*
