### Programming is Back!

With the Stay-At-Home order for the City and County of Denver being extended through May 8th, we have rescheduled Spring Programming classes to start the week of May 11th, with Saturday programming starting on May 9th.

Below are some of the guidelines we're putting into place in order to deliver a safe learning environment for our participants:

- Class sizes, inclusive of participants and coaches, will not exceed maximum gathering guidelines.
- Class activities will fully observe social distancing guidelines and all safety measures.
- Participants will ONLY handle their own clubs (no sharing). If a player does not have a set of clubs, we will provide a set of clubs for their use for the duration of the session.
- Golf balls used for chipping and putting will be given out to a participant for the duration of class and then will be returned to a cleaning bucket at the end of class.
- Range balls will be set out by coaches at each participant's practice area on the driving range. (No reaching into a bucket or den caddy to retrieve balls).
- All supplies and equipment will be cleaned and sanitized before and after class.
- Participants MUST bring their own water bottle.
- Parents are welcome to watch from their vehicle, while observing all mandated social distancing guidelines.
- If the participant is not feeling well, do NOT come to class. Please STAY HOME.

### First Tee of GVR Alumni Soars!
