JR's Eagle Scout Project

First Tee - GVR participant, JR Martinez, has shown an admirable commitment to personal growth and community service by achieving the rank of Eagle Scout in the Boy Scouts of America. As a Boy Scout, JR learned the value of self-reliance and helping others, which have continued to guide him throughout his life.

The rank of Eagle Scout is the highest and most distinguished achievement in the Boy Scouts of America, requiring a Boy Scout to complete a rigorous set of requirements, including an Eagle Scout service project that benefits their community, school, or religious institution. JR's final service project for the Boy Scouts of America was a beautiful divot mix box engraved with the First Tee Green Valley Ranch logo pictured below, as well as an amazing bench on the 5th tee box honoring the late Derek E. Hawkins II.

The bench and divot mix box are a testament to JR's hard work, dedication, and craftsmanship, and it serves as a lasting reminder of the impact he has had on our community. We are incredibly grateful for JR's contribution to our organization, and we will cherish what he has kindly made us for years to come.

We commend JR for his impressive accomplishment and wish him continued success in all his future endeavors. His dedication to personal growth and community service serves as an inspiration to us all, and we are proud to have him as part of the First Tee - GVR family.

Golf Club Trade-In Program

Too tall for your current set of clubs? Want a new driver or a new putter? Thanks to the many generous golfers who donate their golf clubs to First Tee - GVR, there are all types of clubs in varying sizes waiting to find a new home! If you are interested in trading in any of your clubs, please reach out to Charlie Hall at CHall@ColoradoOpen.com.

Golf In Schools

We're thrilled to announce that we've recently been visiting local schools to introduce the game of golf to young students. Starting in late April, we spent a week at John H. Amesse Elementary and we're now gearing up to visit Kearney Middle School, Omar D. Blair Charter School, and Reunion Elementary School.

Through the First Tee - GVR program, we're able to teach new skills to kids who may not have had the chance to try golf before. We're also excited to offer field trips to our campus, where students can play on a real golf course and experience the thrill of the game firsthand.

We're grateful for the opportunity to inspire a new generation of golfers and we look forward to continuing our efforts in the community. Thank you for your support!
