Participant Corner

Three of our very own First Tee – Green Valley Ranch participants have been selected to attend one of First Tee’s National Opportunities. Congratulations to Emma Stavelly, Adelyn Westfall, and Jack Clark!

Each year, thanks to First Tee’s corporate partners and generous donors, First Tee is able to offer a variety of educational and leadership opportunities for participants and alumni. These events often become life-changing experiences for our teens as they further develop an awareness of the possibilities that surround them.

Emma Stavelly and Adelyn Westfall have been selected to attend the First Tee Game Changers Academy in Minneapolis, MN. This is a 5-day learning and empowerment academy where participants will have important conversations embracing topics of self-awareness, inclusivity, and community building. First Tee’s partner, RISE, a national leader in the sports community championing social justice, will lead engaging and interactive workshops paired with activities and reflections led by nationally trained First Tee coaches.

Jack Clark and Emma Stavelly both were selected to attend the First Tee Leadership Summit through the PGA TOUR Superstore at the West Creek Ranch in Emigrant, Montana. This opportunity builds on the 5-week local Leadership Series and is designed for teens to explore leadership concepts. Throughout the week, each teen is challenged to build on their current strengths and values in an intimate setting, which provides community building, inspiration, and connection with their peers, adult mentors, and the outdoors.

Donor Spotlight

Society of Industrial and Office Realtors

The Society of Industrial and Office Realtors (SIOR) is the leading global association for office and industrial real estate professionals. SIOR sets the industry standard for excellence with each chapter dedicated to supporting educational programs and nurturing the next generation of professionals.

Since 2012, the SIOR Colorado Chapter and First Tee – Green Valley Ranch (GVR) have collaborated to host an annual social event aimed at raising funds for First Tee – GVR. This initiative, started over a decade ago by Alex Ringsby, is now overseen by Chris Nordling, a First Tee coach and member of the Colorado Open Golf Foundation Board of Trustees.

Over the years, SIOR has raised over \$300,000 in support of First Tee – GVR. Through annual events held during golf's major championships, sponsors and supporters of First Tee – GVR come together to demonstrate their commitment to its cause and mission.

This past May, during the 2024 PGA Championships, SIOR hosted their 12th annual event at the newly built Hangar Club. The event featured speeches from Hunter Swanson and Kyle Leydon, both graduates of the First Tee – GVR program and current Division 1 golfers.

Thank you, SIOR, for your annual commitment to growing and supporting First Tee – GVR. The past 12 years have been invaluable. We look forward to next year's event.
