**Registration opens soon**

Registration for all 2026 programs at First Tee – Green Valley Ranch opens **January 30**. Families can sign up for programs across all age groups and sessions throughout the year.

Many classes fill up, especially for certain age groups and time slots, so it's a good idea to take a look early and register when it opens. We'll share the registration link and details as the date gets closer.

## It's Finished: The Honor Wall

The Honor Wall at the Patrick H. Hamill Learning Center continues to grow, and the latest updates have made the space look better than ever. We're excited to share a new photo that shows the completed layout and the impact of everyone who has already contributed.

There is still room for families who would like to be part of this project.

A \$250 donation adds your family's name to a paver brick placed in the center walkway, creating a lasting tribute in a space visited by every participant and guest who comes through our doors. The gift can be spread over three years, and it qualifies for the Colorado Child Care Tax Credit, saving you up to 35 percent.

If you'd like to reserve your brick, please contact Program Coordinator Charlie Hall at [CHall@ColoradoOpen.com](mailto:CHall@ColoradoOpen.com).

## Participant Corner: 2025 In Review

2025 was a record year at First Tee – Green Valley Ranch!

We welcomed 437 unique participants to programming at GVR and Buffalo Run and served 3,354 kids across all programs, which included partnering with 15 local schools.

From classes and school programs to Friday Play Days and on-course experiences, participants spent the year learning, practicing, and building confidence. We're proud of what our kids accomplished in 2025 and excited to keep growing in 2026.

## Donor Spotlight

### Green Valley Ranch Foundation

The Green Valley Ranch Foundation has been a strong supporter of First Tee – Green Valley Ranch for nearly a decade. Since 2017, the Foundation has contributed more than \$210,000 in support of our programs.

Their support comes from a shared commitment to the Green Valley Ranch community. The majority of the 3,700 kids we serve along with their families live, work, and go to school in the GVR area. Because our programming directly serves local youth, the Foundation's grants help ensure kids in this community continue to have access to meaningful opportunities close to home.

Formed in 2000 by Patrick H. Hamill, the Green Valley Ranch Foundation was created to promote arts and cultural events, education, and youth programs that directly benefit the community. That purpose continues to guide their work today.

We are grateful for the ongoing support of the Green Valley Ranch Foundation. Their generosity helps strengthen our programs, support local families, and provide consistent opportunities for kids to participate in First Tee programming within the Green Valley Ranch community.
