## It's Finished: The Honor Wall

The Honor Wall at the Patrick H. Hamill Learning Center continues to grow, and the latest updates have made the space look better than ever. We're excited to share a new photo that shows the completed layout and the impact of everyone who has already contributed.

There is still room for families who would like to be part of this project.

A \$250 donation adds your family's name to a paver brick placed in the center walkway, creating a lasting tribute in a space visited by every participant and guest who comes through our doors. The gift can be spread over three years, and it qualifies for the Colorado Child Care Tax Credit, saving you up to 35 percent.

If you'd like to reserve your brick, please contact Program Coordinator Charlie Hall at [CHall@ColoradoOpen.com](mailto:CHall@ColoradoOpen.com).

## Alumni Corner

Hunter Swanson joined First Tee – Green Valley Ranch at age 10 and stayed involved through his junior years before becoming a Division I golfer at the University of Colorado. Below is his story, in his own words.

My name is Hunter Swanson, and I am a current D1 collegiate golfer at the University of Colorado Boulder. I was introduced to the game through First Tee – Green Valley Ranch. No one in my family played golf, but with Green Valley Ranch Golf Club right next to our house and a First Tee chapter focused on youth, my parents decided to enroll me. They didn't do it just so I could learn golf—they wanted to make sure I learned life skills, and the First Tee's core values helped shape who I am today.

First Tee became more than a place where I took golf classes, it became my home. I spent more time at First Tee and Green Valley Ranch Golf Club than I did at my own house.

Through First Tee, I had opportunities such as competing in two First Tee National Championships, attending the Pebble Beach Pure Insurance Championship, and going on a retreat to Colorado Springs where I played golf at The Broadmoor with Annika Sorenstam. These were some of the best golf experiences of my life, and they also helped me build lasting relationships and meet influential people.

I also gained valuable experience volunteering through the Colorado Open Golf Championships, Food Bank of the Rockies, and the Denver Golf Expo. Volunteering showed me how much I enjoy helping others and giving back, and it played a big role in shaping me as a person.

I could go on and on about the experiences I've had through First Tee, but this is the short version. I would not be the person or golfer I am today without First Tee, and I am incredibly grateful to everyone who played a role in my journey.

## Donor Spotlight

## Mary and George Sissel

We're grateful to recognize Mary and George Sissel for their continued support of First Tee – Green Valley Ranch. Over the past five years, Mary and George have contributed generously, helping support the 3,700 kids served in 2025 alone.

Both Mary and George have long histories of leadership and service in education, health, and youth-focused organizations. Each has served as Chair of the University of Colorado Foundation. Mary has also served on the board of Girl Scouts of Colorado, and George has served on the board of Boy Scouts. Their philanthropic work has supported scholarships, medical research, and programs that benefit children and families across Colorado.

Some of their philanthropy includes the George and Mary Sissel Scholarship Fund at CU and the Sissel & Findlow Family Endowed Chair in Stem Cell Research at the Barbara Davis Center for Diabetes, supporting teaching and research focused on new treatments for childhood diabetes.

That same commitment to support the youth carries through to First Tee – Green Valley Ranch. Their support helps strengthen our programs and provides consistent opportunities for kids and families to participate in golf and character education within our community.

We appreciate Mary and George Sissel for their generosity and their continued support of programs that invest in young people.
