**Opportunities listed below include, but are not limited to, the following duties:*

SCORE RECORDING:

Located on the green or tee of a hole to collect scores from the players (or caddies). This position requires a smart phone so we can download the scoring app. Score Recorders will:

- Take scores from the players (or caddies) as they exit the green or come to the tee
- A scoring sheet will be provided to keep track of scores & times. Scores should be written FIRST, then keyed into the app.
- Enter scores via the app before taking scores from the next group.
- Record the time on the scoresheet when the flagstick is put back into the cup. This helps us document the pace of play.
- The Score Recorder is NOT a Rules Official. There will be Rules Officials in zones to contact via radio channel.

MARSHAL/FORECADDIE: This position has a vital role in helping make sure we're able to locate and spot any balls outside the fairway. This position is scheduled for a designated hole and is there to assist players by contacting a Rules Official if needed. The Marshal/Forecaddie DOES NOT give any rules advice.

CADDIE BIB MANAGEMENT: Check in/out caddie bibs daily to players. Greet caddies at the official scoring area to collect caddie bibs. Verify inventory and organize daily in preparation for the next round.

PLAYER REGISTRATION: Welcome players to the championship (Monday-Tuesday) giving them their registration materials.

VOLUNTEER HEADQUARTERS: Assist with Volunteer Check-In by helping with distribution of uniforms, direction of assignments and duties, check out of any necessary equipment for assignments.

PARKING LOT ATTENDANT/GREETER: Welcome and confirm players, media and dignitaries into Green Valley Ranch parking lot, which is designated for only those on a player or approved parking list. Instruct all others, including volunteers, spectators and caddies (traveling without the player) to park at COGF offices where a shuttle to the golf course is available.

ROVER: will assist with refilling ice on the range and course, restocking snacks, capturing social media content, and supporting the team as needed. *(Must be able to lift up to 30lbs)*

STANDARD BEARER/WALKING SCORER: Follow the lead groups with manual scoreboards for spectators to see player's score status & electronically record and post hole by hole scores in an app on their smartphone

PLAYER SHUTTLE: Transport players in designated areas in order to keep pace of play.

PARKING SHUTTLE: Transport volunteers, spectators and others from designated off-site parking area.

SET UP/BREAK DOWN OPERATIONS: Assist with, daily set up in the early a.m. or break down in the evening when play is finished.

SOCIAL MEDIA: Will be stationed in assigned zones on the course to capture photos and videos of players, focusing on those performing well or having standout moments.

COLORADO OPEN

**Shifts may begin as early as 5am & end as late as 8pm. Assignments may be outdoors (possible exposure to sun, heat & insects).*
